## Motion Goes to

### IREVA Manual

By-Laws	<input style="width: 100%;" type="text"/>
Operating Code	<input style="width: 100%;" type="text"/>
Handbook	<input style="width: 100%;" type="text"/>
Tournament Guide	<input style="width: 100%;" type="text"/>
Other	<input style="width: 100%;" type="text" value="Budget"/> <span style="color: green; font-weight: bold;">TS</span>

### Section #

New Section  
 Replace Section  
 Remove Section

### Motion:

Create a new tournament request page on the IREVA website. This page will have features such as:

- Select multiple levels per tournament vs. entering one tournament per level  
 -Example: 10 team 16's, 5 team 14's, 5 team 13's, etc.
- Select both male and female per tournament vs. entering one tournament per gender  
 -Example: 5 team men's tournament 5 team women's tournament will be entered as one tournament.
- Ability to have multiple locations per level with the # of courts per location. Currently you can only list 1 location per event. \*Allowing multiple locations with the # of courts will also help with the ref assigning process.  
 -Example: 15 team 16's 2 courts, 1 at Herkimer CCC 2 courts at Dolgeville, 5 team 14's at Dolgeville, etc.
- Easier approval process for Tournament Coordinator. Ability to capture key details, such as check # for court fees, approving drop down to select Approved – Regular, Approved – Friendship, Approved, Scrimmage, field for Sanction # and insurance requested.
- AES check box will auto populate based on the Format = Junior
- Printer Friendly form once tournament is saved. This will remove the manually process of completing the Tournament Request form.
- Additional functionality.

**\*\*\*Estimated Cost \$2,000\*\*\***

### Rationale:

Create a more user friendly request system for our Tournament Directors and Tournament Coordinator which will also reduce additional steps that are handled manually outside of the website.

## IREVA BOD Vote

In Favor	<input style="width: 100%;" type="text" value="11"/>
Opposed	<input style="width: 100%;" type="text" value="0"/>
Abstentions	<input style="width: 100%;" type="text" value="0"/>

## IREVA Motion Result

Carried	<input checked="" type="checkbox"/>
Failed	<input type="checkbox"/>
Tabled	<input type="checkbox"/>
Referred to	<input style="width: 100%;" type="text"/>
